

MLUG
Midlands LabVIEW User Group

Wednesday 9th March 2022

It is our first MLUG of 2022! Come and join us for a great range of speakers and discussions related to LabVIEW.

If you can't make it then just subscribe to our YouTube channel and you can watch it back at your leisure.

We will be online for this UG so [sign up](#) to ensure that you know the details!

Speaker Programme (subject to change)

13.00 Welcome & Introduction

Sam Sharp – **Extending your test capability ...automated GUI testing with LabVIEW**

13.45: Ajay MV – **Integrate LabVIEW with Python to access SaaS Services**

Comfort Break

14.45: Tom McQuillan – **State of Grace**
